Beginning April 10, 2025, an Electronic Tourist Visa (eVisa) will be required for U.S. and Canadian passport holders for entry into Brazil. To apply for an eVisa, visit brazil.vfsevisa.com/. The announced fee is to be USD \$80.90 (subject to change without notice). During the application process you may be required to upload electronic copies the following:

- Scanned photocopy of your passport (photos not accepted).

All copies should be clear, legible and file sizes should not and not exceed 1MB. Note: In the application you will see the anagram "OTP," this means one time password.

Minors Travelling To/Through Brazil Without One or Both Parents

We recommend that families of minors travelling to Brazil without one or both parents carry documentation that proves their relationship to the child (e.g., birth certificate) and that they have permission to travel with the child (e.g., consent letter). Please contact the nearest Brazilian embassy or consulate for more information.

Citizens of other countries should contact the appropriate consular office for entry requirements pertaining to their journey.

LOCAL HEALTH & SAFETY PROTOCOLS

Travelling to the Amazon & Pantanal

If travelling to the Amazonian rainforest regions or Pantanal wetlands, please note that temperatures and humidity can be extreme. Take precautions against mosquitos by wearing long-sleeved shirts, long pants and hats and use an insect repellent to help prevent bites. (Higher percentages of active ingredient provide you with longer protection.)

If you are taking a cruise on the Amazon River, most of the activities require transferring from the ship to small boats. Brazil's wetlands are one of the world's most diverse and best preserved wilderness ecosystems. However, the vast majority of the diversity is in the form of insects, small mammals and birds. Larger species are shy and unpredictable. When you do encounter wildlife, you will not have a clear ample field of view as in Antarctica or on the plains of Africa. A good pair of binoculars (along with a sense of curiosity) will enhance your experience in these ecosystems.

CASH & CREDIT CARDS

Major credit cards are widely accepted in urban areas. ATM machines are easily accessible. When using credit cards or ATMs in Brazil, exercise caution when using these payment methods and carefully monitor your banking online for non-authorized charges during the course of your visit.

PACKING LIST & BAGGAGE RESTRICTIONS

For checked baggage on flights within Brazil, each traveller is limited to one (1) piece per person with a maximum weight of 50 pounds (23 kilograms) with linear dimensions (height+width+depth) not to exceed 62 inches (157 centimeters). For carry-on baggage, each traveller is allowed one (1) personal item (such as a purse or laptop) and one (1) piece weighing up to 17 pounds (8 kilograms). Any additional or overweight pieces will be charged on check-in and excess baggage fees are the traveller's responsibility.

Please use the provided A&K luggage tags, even if your bags already have ID tags. This makes it easier for A&K staff to find and manage your luggage for you.

Clothing

Choose versatile, casual clothing that can be layered if the weather (or level of air-conditioning) requires. Smart casual attire is appropriate for evenings. Formal clothing is not necessary.

If visiting rainforest regions in the Amazon or the Pantanal wetland regions: expedition-type ventilated long-sleeved shirts and pants (including some pants with zip-off legs that convert long-pants into shorts). Light and neutral colors are best; black, navy or other dark colors tend to attract insects. Optional: river sandals such as Texas®.
