

ESSENTIAL INFORMATION AUSTRALIA

PASSPORT AND VISA INFORMATION

Your passport needs to be valid for **at least six (6) months** after your journey ends, and should have a minimum of one (1) blank visa page for entry and exit stamps.

An Electronic Travel Authority (ETA) is required for U.S. and Canadian passport holders for entry into Australia and must be obtained prior to departure. U.S. and Canadian citizens must apply for an ETA using the Australian ETA app on a mobile device. You can download the Australian ETA app for free from the [Apple Store \(Apple\)](#) or [Google Play store \(Android\)](#).

The current fee is AUD \$20 (subject to change without notice) and allows multiple entries for up to 12 months after the date of issuance. Read and follow all instructions carefully to ensure a smooth arrival in Australia. Once you download the app, be sure to have your passport with you when you start the e-Visa application process. More information is available here: [Step by step guide](#).

YELLOW FEVER VACCINATION

A yellow fever vaccination is only required to enter Australia if you are arriving from, or have transited through, a yellow fever-endemic area in South America or Africa. The CDC and WHO each provide a current list of all affected countries. If vaccination for yellow fever is necessary, you must carry an International Certificate of Vaccination provided by your physician; you may be denied entry without it. If your physician advises against receiving the vaccination because of your personal medical history, he or she can provide you with the necessary documentation for the country/countries you are visiting.

ENVIRONMENTAL CONCERNS

Large populations of insects – including biting flies – are found in the Australian Outback and other regions year-round and can pose a nuisance to visitors. As a result, we suggest you pack insect repellent containing a high percentage of the active ingredient DEET. Other precautions include wearing long sleeves and trousers, fly nets that cover your face (provided) and avoiding the use of scented personal products that attract flying insects during sightseeing excursions in the Outback.

OF SPECIAL NOTE: SCUBA DIVING IN AUSTRALIA

Certain medical conditions may exclude you from SCUBA diving at certain locations. If you plan to SCUBA dive during your journey, we recommend that you obtain the latest information regarding the requirements and regulations of the specific locations where you plan to dive. Also make certain to bring your valid diving certificate and logbook.

CASH & CREDIT CARDS

Cash transactions must be made in Australian currency. Major credit cards are widely accepted for goods and services. Access to ATM machines is widespread in cities and towns, but may be limited in rural areas.

PACKING LIST & BAGGAGE RESTRICTIONS

For checked baggage on flights within Australia, passengers are allowed one piece per person with a maximum weight of approximately 50 pounds (22.5 kilograms) in Economy Class. In Business Class, two pieces per person with a combined maximum weight of approximately 70 pounds (32 kilograms) is permitted. Total dimensions of each piece must not exceed 55 inches (140 centimeters). Dimensions for checked baggage are calculated by adding together the width, height and depth of the piece of luggage.

For carry-on baggage, passengers are allowed one piece per person with a maximum weight of approximately 15 pounds (7 kilograms). Dimensions of carry-on baggage are not to exceed 45 inches (114 centimeters).

Additional/different weight restrictions may apply on some Tailor Made programs. Contact your A&K Travel Consultant to determine the specific weight restrictions for your tour.

Please use the provided A&K luggage tags, even if your bags already have ID tags. This makes it easier for A&K staff to collect and manage your luggage for you.
