

Sanctuary 'Sun Boat IV'

Comfort Worthy of
the Pharaohs

Larger and more contemporary in style than its sister ship, Sanctuary 'Sun Boat IV' offers equally distinguished service and comfort. With a maximum of about 80 guests, she delivers one of the most intimate experiences on the Nile.

'Sun Boat IV's' floor-to-ceiling windows on most decks grant sweeping views of the river's shore, while her Art Deco-inspired public areas make it easy to find a quiet corner from which to observe the parade of life along the Nile. Teak flooring graces the outdoor spaces, and modern comforts coexist with vintage decoration. For example, all cabins are air-conditioned and feature flat-screen televisions and direct-dial international phones. A library also includes an Internet-ready computer.

The Sun Deck is adorned with luxurious Egyptian marble as well as soft canvas sunshades. A tiled swimming pool complete the amenities.

In addition, 'Sun Boat IV' offers exquisite dining and peerless service, including excursions to the Nile's greatest monuments led by expert Egyptologists. This blend of style and substance inspired *Condé Nast Traveler* to name 'Sun Boat IV' the top small cruise ship in 2009.
